## CUSTOM WORK TERMS & CONDITION

- **Set-up charge is based on receiving customer-furnished print-ready artwork and is confirmed upon receipt of that material. The set-up is for an average design. Some intricate designs may require additional charges for photography, etc. A firm quotation will be made for all inquiries or any order where the actual price varies.**
- **Double construction flags requiring two (2) printed flags or banners sewn back to back usually require an interlining to improve opacity and will be priced twice the single construction price. There is an additional charge for interlining. Double sided flags are twice as heavy as single sided flags, meaning that it requires more wind for movement. Double sided flags are typically reserved for indoor use as they do not hold up as well single sided flags outdoors.**
- **Sizes and number of printed colors available for screen printing reflect popular choices. For any variations, please consult our custom sales department.**
- **Additional art charges for non-print-ready artwork will be based on the individual order with a one-hour minimum at the rate of \$85 per hour.**
- **Custom faxed art approvals must be returned within 24 hours or custom orders may be re-dated.**
- **NO REFUND OR RETURNS ON CUSTOM PRINTED ORDERS.**
