To Whom It May Concern:

The purpose of this letter is to advise that Royal Paper Products, Inc. woodenware items comply with the Federal Drug & Cosmetic Act and applicable food additive regulations. Royal's woodenware items are made from untreated wood or bamboo and will not add undesirable flavor, color, odor, or toxicity to food they contact.

The FDA does not regulate these types of household and restaurant items per se. However, under the Federal Drug & Cosmetic Act, "a manufacturer of such food contact articles should make sure that nothing from the articles imparts flavor, color, odor, toxicity or other undesirable characteristics to food, thereby rendering the food adulterated".

This guarantee applies to all woodenware items sold by Royal Products, Inc. when used under normal conditions.

If you should require any additional information, please do not hesitate to contact our office.
